Hey, Mr. DJ

You can call New Jersey's own **DJ Hollywood**, Mr. Las Vegas of nightlife. Going from the East Coast to the West Coast, the famed DJ has been a prominent figure in Sin City's bustling nightlife scene for more than 20 years. And his name suits him so well, going from spinning at high-profile parties for A-list celebs to working side-by-side with legends Paul van Dyk, Tiësto and Grandmaster Flash; he's even had his own radio show for six years. This weekend, he mans the booth at Foxtail for the club's weekly #GreystoneSundays hip-hop party. —*Chanelle Hayes*
